PRICING

Prices range depending on quality, color, breed, and size of the dog.

SHIPPING

I do ship and price depends on location of the buyer. I try to ship with Continental, Delta, or American Airlines as their flights usually have the puppy there within several hours. I will NEVER ship a puppy for an overnight stay. Additional costs when shipping include health certificate and crate.

Chihuahua and Yorkie puppies are ready to go to their new homes at 9-16 weeks depending on the weather and breed of the dog, as well as, the size of the puppy. Obviously, the smaller the puppy, the longer it needs to stay with me. I hold teeny tinies until they are 16 weeks of age minimum, unless I feel confident they are ready to leave. I leave Shih Tzu puppies go as soon as they have their teeth (8-9 weeks) and are eating well.

GUARANTEE

I offer a three-year written health guarantee.

DEPOSIT

Deposit is two-hundred fifty dollars for a pet puppy and 1/2 of the purchase price for full AKC rights and non-refundable if you decide not to take the puppy. I will hold the puppy three days for you to get the deposit to me. Please overnight or express those money orders...(This is also for your safety so they can be tracked)
